Consumer Engagement Meeting

Patients and carers of Central Coast Day Hospital were invited to a morning tea meeting on 11 April 2014 to share their personal care experiences and to offer ideas and suggestions for improvements and change. The goal was to gather information, insights and advice from those who use our services to inform planning and decision-making.

Positive feedback and responses were by reported by all the participants reflecting our excellent patient satisfaction survey results. Feedback and recommendations made by the participants have been successfully incorporated in our revised patient information booklet and website.

General Practitioners JuleYE Seminar

Central Coast Day Hospital will be holding a GP educational evening on Thursday July 10 2014. This dinner will host seven Ophthalmologists who will present on various topics to ensure that GP's are informed of the latest research and developments on eye care. This dinner will coincide with the RANZCO Eye Foundation JuleYE public health promotion month. [Register here](#)

Optometrists - Gain CPD points at your desk

Gain OAA-approved CPD points from the convenience of your own computer with our latest, completely free educational module 'Ocular Allergies' (1 CPD Point-awaiting approval). This brings the number of modules available to 26, all free and easily accessible online.

[Check it out.](#)

Featured Ophthalmologist

Dr Michael Minogue, graduated with Honours from the University of New South Wales and trained extensively in Ophthalmology at the Sydney Eye Hospital from year 1983 to 1986. Dr Minogue commenced private practice in Erina in 1992 and has been offering eye care services since then. He is also a Visiting Medical Officer at Central Coast Day Hospital and Berkeley Vale Private Hospital. [Read more](#)
