Appreciation from Better Hearing Australia

Better hearing Australia Central Coast incorporated committee has made a presentation of a certificate of appreciation to the Central Coast Day Hospital in response to exceptional care given to Mrs Munday, a member of the society, who is profoundly deaf.

Anne Walker RN, Mrs Joyce Munday & Beverly Baily RN

Mrs Munday said, "I was extremely delighted with her trouble free visit and this had been the best time I ever spent in Hospital."

The certificate was received by Nurses Bev Bailey, RN and Anne Walker, RN who were her nurses during her stay. [Read more](#)

Become a Patient and Family Advisor

Working Together to Help Improve Our Hospital.

At Central Coast Day Hospital patient and family advisors give us feedback and ideas to help us improve the quality and safety of care we provide. Share your story, participate in discussion groups, review or help create educational or informational materials and work on short-term projects.

[Click here for more information and find out how to apply.](#)

Free CPD Modules on Optomonline

Gain OAA-approved CPD points from the convenience of your own computer with our latest, completely free educational modules.

Featured Ophthalmologist – Dr Daniel Polya

Dr Polya is a vitreoretinal surgeon and a medical retina specialist. He graduated from the Melbourne University Medical School, and completed ophthalmology training at the Royal Victorian Eye and Ear Hospital in Melbourne. He completed a Master of Public Health at the University of NSW with a thesis in Clinical Risk Management and Patient Safety.

His special clinical interests are in small-gauge vitrectomy surgery for retinal detachment, vitreous haemorrhage, macular hole and epiretinal membrane; and intravitreal and laser therapy for age related macular degeneration, diabetic retinopathy and retinal vascular occlusions. [Read more](#)
