

Central Coast Day Hospital

### Optomonline CPD

**OPTOMETRIST  
ONLINE**

**Online accredited  
Optometrist CPD tests**

Optometrist Online CPD allows the Optometrist to earn CPD Points by successfully completing each CPD module online in your own time.

Presentations from our recent Sydney Conference were videoed and are currently in the process of being edited and soon to be uploaded on our Optomonline website so that they are so that they are available as educational modules on our website.

Couldn't attend the Conference? Why not view OAA approved online educational videos? [Read More](#)

## **Central Coast Day Hospital new affiliation with The University of Sydney**

An affiliate of

THE UNIVERSITY OF  
**SYDNEY**

Central Coast Day Hospital has recently established a new affiliation with The University of Sydney, providing undergraduate medical, nursing and allied health professionals to undertake clinical placements in or dedicated ophthalmic facility of excellence. [Read More](#)

## Partnering with Consumers

Presmed Australia and Central Coast Day Hospital have instituted a Consumer Engagement Committee which met at our Hornsby facility, Madison Day Surgery on 28 March 2018. The Committee provides a formal mechanism for patients, carers staff and doctors and management to support the partnership of care with our consumers and to improve the Safety and Quality of Care.
